Kinect storage case easily fits inside Carrying case

CTA Digital proudly introduces the Carrying Case for Xbox 360™ Slim and Kinect. This luxurious case is specifically designed to accommodate your Xbox 360™ Slim (with the power brick), Kinect Camera, games and accessories with the extra padding they need to stay safe during transit. Made with a durable nylon fabric and protective foam padding, the carrying case is the perfect solution for the 'on the go' gamer. The case includes storage for 4 games inside the convenient CD slots, as well as controllers, cables, and whatever else you bring along for those intense gaming sessions. Inside the case, you'll also find a 50-inch adjustable shoulder strap, and a separate foam padded case for the Kinect Camera™, which secures to the interior with velcro. So with the Carrying Case for the Xbox 360™ Slim and Kinect, your system, games and accessories are always ready to go.

Features include:
- Perfect for travel
- Durable nylon fabric
- 4 CD pockets
- 2 Built-in straps to secure the Xbox 360™ Slim
- 2 External pouches for accessories
- 1 removable pouch for the Kinect Camera™
- 2 Internal pouches for accessories

Package includes:
- (1) Carrying case for the Xbox 360™ Slim & Kinect™
- (1) 50-inch adjustable strap

Compatible with the following System:
- Xbox 360™ Kinect
